Choose one item from each learning area a day. Check off as many as you can! 😊

<b>Grade 2 Curriculum Areas</b>	M	T	W	Th	F
<p><b>Reading ideas for the week:</b></p> <ol style="list-style-type: none"> <li>1. <b>Raz Kids</b> – <a href="https://www.raz-kids.com">https://www.raz-kids.com</a></li> <li>2. <b>Epic Books</b> - <a href="https://www.getepic.com/educators">https://www.getepic.com/educators</a></li> <li>3. <b>Home material</b> – read your books at home!</li> <li>4. <b>Sight Words</b>- <a href="https://www.education.com/games/sight-words/">https://www.education.com/games/sight-words/</a></li> <li>5. <b>Word Family of the week</b> – “__ill” list as many words as you can that end in “ill”. For example: will, pill, chill. When you have a good list, practice them by writing them again in alphabetical order.</li> <li>6. <b>Spelling words for the week</b> - eat, four, good, must, new. Practice these words by cutting some short lengths of yarn and use them to form the letters of each word or build your words with Lego bricks. Send pictures of your finished product!</li> </ol>					
<p><b>Writing Ideas for the week:</b></p> <ol style="list-style-type: none"> <li>1. If you could play on any section of Discovery Park (our school playground), what would you choose and why? Add lots of details like who would be playing with you, what would the perfect weather be on that day? You could even write about the best day of the week and season to play on Discovery Park.</li> <li>2. Exotic Pets- If you could choose any wild animal for a pet, what would you choose and why?</li> </ol> <p>Try to write 5-7 sentences. Use a beginning sentence, 3 details, and a wrap up sentence. Make sure you spell word wall words correctly and use invented spelling for trickier words. Draw and colour a picture as well. Remember that sometimes it takes a few days to complete a piece of writing, so don't feel that you have to do it all at once.</p> <p>Ask your adult to send a picture of your finished product to your teacher, we love receiving our “kid's” writing. It makes us smile!</p>					

<p><b>Math ideas for the week:</b></p> <ol style="list-style-type: none"> <li><b>1. Compare numbers to 100 (N5)-</b> <a href="https://ca.ixl.com/math/grade-2/comparing-numbers-up-to-100">https://ca.ixl.com/math/grade-2/comparing-numbers-up-to-100</a></li> <li><b>2. Play a card game-</b> Check out some great ideas on the grade 2 weebly- <a href="https://grade2ses.weebly.com/numeracy.html">https://grade2ses.weebly.com/numeracy.html</a></li> </ol> <p><b>NON INTERNET ACTIVITIES</b></p> <ol style="list-style-type: none"> <li>1. Have your child grab a handful of cheerios, macaroni, buttons or objects of your choice. Count the amount then count them backwards from the total amount. Put into groups of 2, 5 then 10. Did you get the same amount? Is the amount you have even or odd? Explain how you know. If you are out for a walk look at the house numbers on the street. Which side is even/odd? Draw a picture of your street when you get home with the house and house numbers. How do you know the number is even or odd?</li> <li>2. <b>Play a card game-</b> Sum War -Remove the kings and jacks (ace = 1 and queen = 0). Each player turns over two cards and says the sum (answer to an addition question) of their 2 numbers. The person with the greater sum wins and takes the cards. Play until all cards are gone. The person with the most cards, wins! (You can also play with subtraction ☺)</li> </ol>					
<p><b>Free play: Have fun doing whatever you love to play.</b> <b>Challenge:</b> Get an adult to send a picture to your teacher of you being creative during Free Play! We can't wait to see what you have been up to!</p>					
<p><b>Art:</b> Spring is coming and the flowers are starting to bloom! Let's try drawing a big bouquet of flowers! <a href="https://www.youtube.com/watch?v=0-jHiAovALE">https://www.youtube.com/watch?v=0-jHiAovALE</a> Non-Computer art - Design your own flowers. See if you can draw a full garden! *You can use outside as an inspiration*</p>
